OUR FACTORY

Charisma is a leading manufacturer specializing in high-quality hangers for retail, hospitality, and household use. Combining innovative technology with craftsmanship, we deliver durable, eco-friendly, and customizable solutions.

Core Strengths Advanced production lines ensure precision and scalability.

- **Material Diversity:** Wood, plastic, metal, and velvet-coated options.
- **Customisation Expertise:** Tailored designs, branding, and packaging.
- **Sustainability Focus:** Recyclable materials and energy-efficient processes.
- **Global Compliance:** Meet ISO, BSCI, and international safety standards.

Why Choose Us?

- 15+ years of industry experience
- OEM/ODM support
- Competitive pricing & fast lead times
- Dedicated QC team for flawless output

REABSORB™ HYBRID HANGERS

Where Textile Waste Meets Advanced Material Science
Introducing ReABSorb™—a groundbreaking hybrid hanger crafted by integrating post-industrial textile scraps with recycled ABS plastic. Leveraging proprietary compression-molding technology, this innovation transforms fabric offcuts and plastic waste into durable, stylish hangers, offering a closed-loop solution for eco-conscious brands.
